

# Our library of medical and surgical animations

## Watch for something unexpected

We learn from you. And we hope you learn from us, too. That's why we've created the AAP Playlist on YouTube. Go to YouTube to find our library of medical and surgical animated videos. Take a look. You may find something you didn't expect.

### Check out these animations on our YouTube Channel

[youtube.com/user/CincinnatiChildrens](https://youtube.com/user/CincinnatiChildrens)

Click on **Playlists** and find **AAP Playlist**

#### You'll find animated videos on:
